NOTES:

Tick indicates whether the change applies to that competition (current competitions, effective Feb 2024).

We will substitute Rolling subs for Tactical changes in all competitions until September 2024.

Netball Victoria advise not to make changes to an existing competition so many will operate under previous rules until their next season:

- Social competitions (Tues, Weds, Thurs, Sun Women's and Mixed) will change in July (Season 2)
- Monday Junior Premier will change for Term 4
- Friday Afterschool will change for Term 2
